I Have the honour to bring to your kind notice that under orders of Government prisoners are given the benefit of Bhajanas Harikathas and lectures by noted Missionaries, Swamies, laymen and ladies and to add that these had a very salutary effect on prisoners in opening up cheerful aspects of life, elevating their ideals and conduct and minimizing to a great extent distrust on the part of officers and deception on the part of prisoners and in relieving the dead monotony of the system of Jail administration which crushes out individuality and humanity

These entertainments were given at the expense of the charitably disposed men and women and as their number was small these performances were conducted at intervals few and far betwee I would as such request you will be so good as to move Government to sanction for this purpose an annual grant of Rs. 500/- so as to ensure their performance at regular intervals.
